

## GENERAL / ORDERING INFORMATION

Welcome to Pinconning, the "Cheese Capital of Michigan". Thank you for your interest in our famous Wilson's Pinconning Cheese products. Our unique Pinconning Cheese is produced under our special formula and aged from just produced, squeaky mild to super sharp that is aged over six years or more. The Pinconning Cheese production process has not changed since its introduction to our area in 1915, by our family. Our specialty is still making a quality cheese and aging it to produce its famous & unique flavor that can only be found here at our Company!

The cheese aging process is what gives Pinconning Cheese its special flavor. Our Cheese is aged as follows:

Squeaky Mild	0 to 14 days.
Medium Mild	1 to 3 months.
Medium Sharp	3 to 6 months.
Sharp	6 to 12 months.
Extra Sharp	12 to 36 months.
Super Sharp	60 to 84 months.

Super 10 yr. Sharp 120+ months (When Available). **May be aged up to 16 + years!!!!**  
In general, the longer the cheese is aged, the more after taste it will have.
